PRESS RELEASE

Integrated Openings Solutions, LLC (IOS)

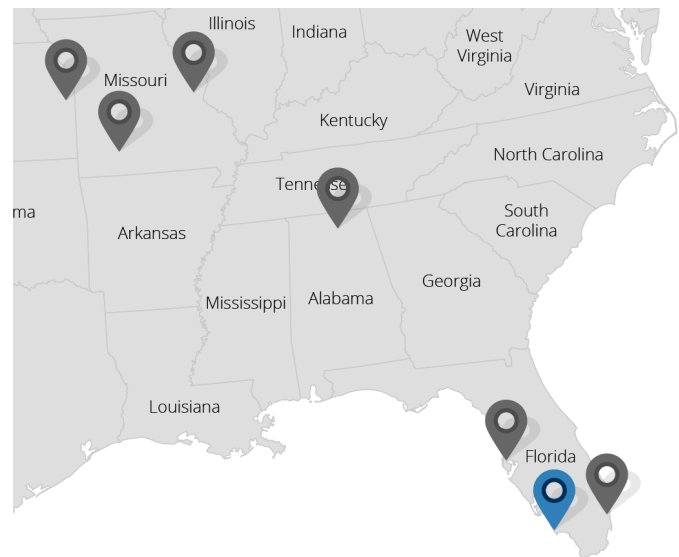

Launches New Location: IOS Naples

IOS expands its opportunities in Southwest Florida with a new location.

Naples, FL, March 1st, 2021: Integrated Openings Solutions is proud to announce the addition of a new base of operations for our business in Southwest Florida. **IOS Naples** will help us generate more exciting project opportunities in the area, and provide on-site support for projects in the region, bolstering the operational strength of our IOS Tampa and IOS Ft. Lauderdale locations.

Anchoring the effort will be 38-year openings industry veteran Tim Guthrie. Tim brings his decades of experience to IOS, providing a valuable resource for current projects and sales opportunities in the area. By helping this new base of operations, Tim Guthrie will help us serve new customers and provide in-person support for customers in cities within the Southwest Florida region and beyond.

"We've talked for a long time about establishing a division in Naples because we live here and we see the great opportunity. IOS Naples will be an important location because it expands our sales potential and strengthens our strategic positioning in the state."

*-Nick McCarty
President, Integrated Openings Solutions*

About Integrated Openings Solutions, LLC – IOS fabricates, distributes, markets, and sells commercial and architectural metal and wood doors, frames, hardware, automatics, access control, sectional/high speed roll up doors, storefront systems, and gate access systems, and performs related services, including turn-key installation and fire/code inspections, for government, warehouse and industrial, hotel and hospitality, multi-family and assisted living, school (K-12 and university), hospital, and retail customers across the United States. IOS is led by a team of experienced industry leaders. For more information, visit www.integratedopenings.com.
